

New Student Programs (NSP)

New Student Programs (NSP) addresses the holistic needs of each new NC State student to create a foundation of success.

We achieve this through:

- Cultivating strategic partnerships across the University
- Promoting an environment of personal responsibility
- Fostering inclusivity through a shared campus identity
- Partnering with parents and families
- Preparing and empowering student leaders to serve the campus
- Striving to be innovative in meeting the needs of our community

New first-year, transfer, and international students can visit our website (<https://newstudents.dasa.ncsu.edu/>) to view new student checklists, learn about orientation, explore pre-semester programs, and view other resources for how to connect with the Wolfpack. Additionally, second year students can visit our website (<https://newstudents.dasa.ncsu.edu/>) to learn about specialized opportunities to connect and continue developing throughout their second years on campus.
