History, theory, research, and practice of integrating technology in higher education. Design, implementation, and critique of instructional strategies; ethical and professional issues; effects on the practices of teaching and learning and the development of communication abilities.

Prerequisite: Doctoral student
Typically offered in Fall only

CRD 790 Scholarly and Professional Paths in Disciplinary and Interdisciplinary Research (3 credit hours)

This seminar aims to 1) foster discussion about disciplinary and interdisciplinarity, particularly in fields relevant to research in communication, rhetoric and digital media; and 2) develop and sharpen participants' theoretical and methodological positionings as they prepare to pursue their professional goals.

Prerequisite: CRD 701, 702, 703, 704, Doctoral student
Typically offered in Spring only

CRD 791 Special Topics in Communication, Rhetoric, and Digital Media (3-6 credit hours)

An intensive seminar examining a particular topic or issue in the communication and rhetoric of digital media.

Prerequisite: CRD 701
Typically offered in Fall and Spring

CRD 809 Colloquium in Communication, Rhetoric, and Digital Media (1 credit hours)

Professional development, ethical inquiry, and discussion and evaluation of interdisciplinary research in a colloquium setting. In successive fall semesters, students participate in three one-credit colloquia that include faculty and students from across the program.

Prerequisite: Doctoral student
Typically offered in Fall only

CRD 885 Doctoral Supervised Teaching (1-3 credit hours)

Teaching experience under the mentorship of faculty who assist the student in planning for the teaching assignment, observe and provide feedback to the student during the teaching assignment, and evaluate the student upon completion of the assignment

Prerequisite: Doctoral student
Typically offered in Fall and Spring

CRD 893 Doctoral Supervised Research (1-9 credit hours)

Instruction in research and research under the mentorship of a member of the Graduate Faculty.

Typically offered in Fall, Spring, and Summer

CRD 895 Doctoral Dissertation Research (1-9 credit hours)

Dissertation research.

Prerequisite: Doctoral student
Typically offered in Fall, Spring, and Summer

CRD 896 Summer Dissertation Research (1 credit hours)

For graduate students whose programs of work specify no formal course work during a summer session and who will be devoting full time to thesis research.

Prerequisite: Doctoral student
Typically offered in Summer only

CRD 899 Doctoral Dissertation Preparation (1-9 credit hours)

For students who have completed all credit hour, full-time enrollment, preliminary examination, and residency requirements for the doctoral degree, and are writing and defending their dissertations.

Prerequisite: Doctoral student
Typically offered in Fall, Spring, and Summer
