# Food Safety & Quality Management (Certificate)

The University Certificate in Food Safety & Quality Management provides individuals an opportunity to learn basic food safety, quality control, and operations management concepts that are useful throughout the food manufacturing supply chain. It is available to non-degree seeking students and both undergraduate and graduate students at NC State University.

## **Program Coordinators**

### Clint Stevenson, Ph.D.

Associate Professor and Distance Education Coordinator Department of Food, Bioprocessing and Nutrition Sciences North Carolina State University Campus Box 7624, Raleigh, NC 27695 919.513.2065 cdsteve3@ncsu.edu

## **Admissions Requirements**

- Non-degree seeking and continuing education students: Must demonstrate current or previous enrollment in a 2-year or 4-year degree program at an accredited college or university and provide proof of a 2.5 GPA or higher; OR have received an Associate Degree, Bachelor of Science or Bachelor of Arts Degree.
- NC State students: Must have a GPA of 2.5 or higher.

# **Registration Information**

Contact the Program Coordinator.
