

# Africana Studies (Minor)

The Africana Studies minor provides a comparative and interdisciplinary study of the Black experience in Africa and the Americas. Three required courses include an introduction to African Civilizations (AFS 240 African Civilization), Introduction to African American Studies (AFS 241 Introduction to African American Studies), and Introduction to the African Diaspora (AFS 342 Introduction to the African Diaspora). Two elective courses may be selected from a list of designated courses in such disciplines as anthropology, communication, English, history, political science, psychology, social work, and sociology. The minor is designed to bring together students from diverse backgrounds and curricula who share a common interest in the global experience of African people. No courses for the minor may be taken for S/U credit.

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. To apply, go to Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>).

## Certification

The minor must be completed no later than the semester in which the student expects to graduate from his or her degree program. Certification should be completed no later than during the registration period for the student's final semester at NC State.
