

Arts Studies (BA): Visual Arts Concentration

Arts Studies majors learn skills that apply to many fields, which are relevant in a changing, interdisciplinary, global world. Our students find work in museums and art galleries, sound studios, arts nonprofits and community arts programs. Graduates of the program follow their passion to make art and teach others and start their own arts businesses. They become artistic directors for large companies and start-ups.

Students in the Bachelor of Art (B.A.) in Arts Studies: Visual Arts Concentration will engage in interdisciplinary, scholarly work based in theory, analysis, history, and materials exploration.
