

Portuguese Studies (Minor)

The objective of the minor in a world language is to enable students majoring in any field to acquire proficiency in an additional language, understanding of the culture, and knowledge of the countries in which the language is spoken.

Admissions

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. To declare the minor, go to the Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>) page. (Students may declare the minor when they are enrolled in a class that counts toward the minor.)

Certification

Students should declare the minor as soon as they have completed the first course for the minor, and complete their course work according to their minor degree audit, and the minor requirements. Students can monitor their progress toward completing the minor by viewing their Minor Degree Audit online, anytime, in MyPack Portal. Questions regarding unmet course requirements on the Minor Degree Audit (indicated by a red 'X') should be directed to the Minor Coordinator, below. Students contact the Director of Undergraduate Advising (<https://wlc.chass.ncsu.edu/about/contact-us/>), once they have completed all of their courses for the minor, or during the registration period for the student's final semester at NC State, in order to complete the final certification of the minor. Students will receive official recognition on their transcripts for the completed minor.
